The Generative Beings accelerates GTM for Asia's AI ecosystem. Free to join.

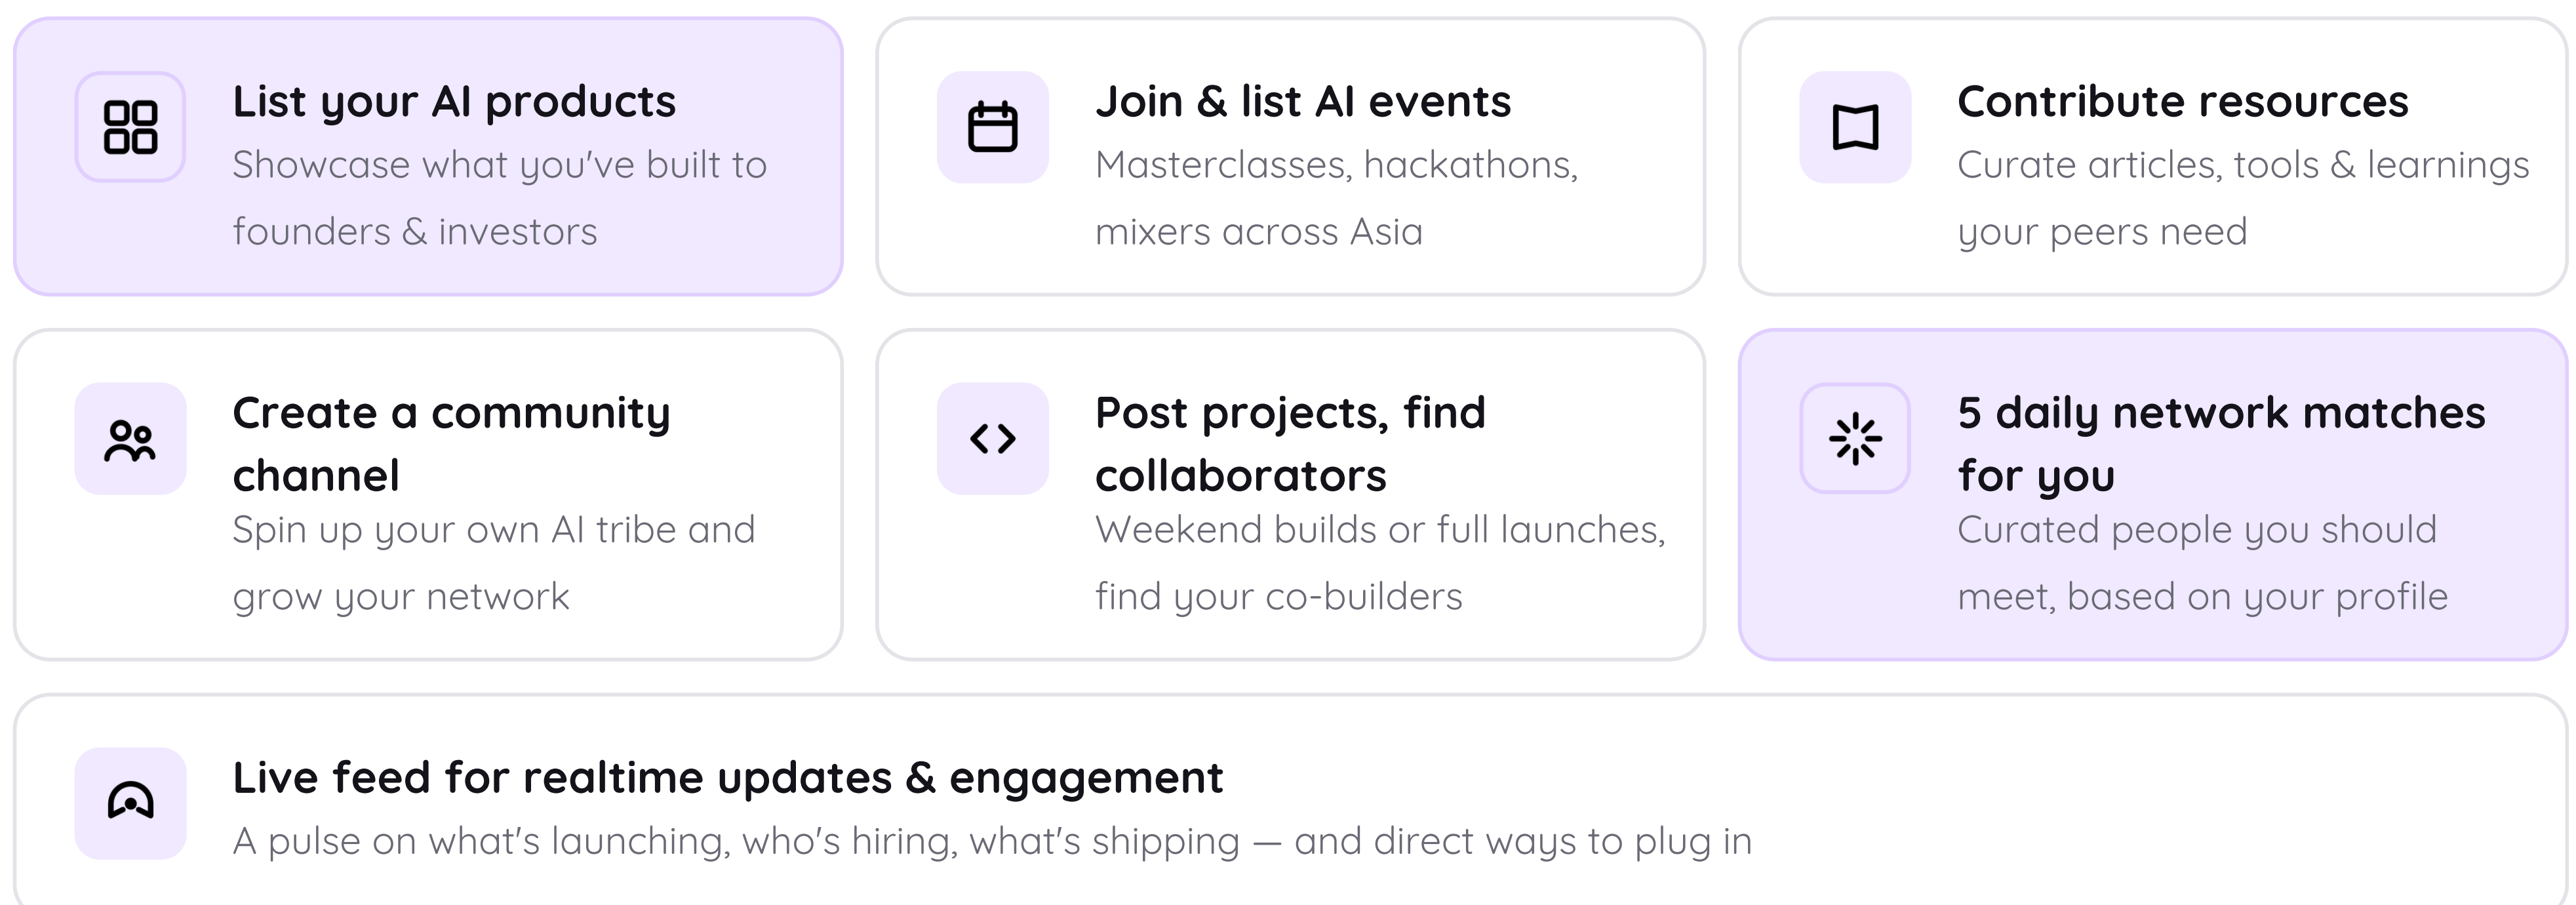

THE PLATFORM

A live AI ecosystem in one place

WHAT YOU CAN DO

Built for every AI person

- List your AI products**
Showcase what you've built to founders & investors
- Join & list AI events**
Masterclasses, hackathons, mixers across Asia
- Contribute resources**
Curate articles, tools & learnings your peers need
- Create a community channel**
Spin up your own AI tribe and grow your network
- Post projects, find collaborators**
Weekend builds or full launches, find your co-builders
- 5 daily network matches for you**
Curated people you should meet, based on your profile
- Live feed for realtime updates & engagement**
A pulse on what's launching, who's hiring, what's shipping — and direct ways to plug in
